## WORK EXPERIENCE

---

### Foreman | Centennial, CO

#### *TwinD Water Solutions | September 2024 - September 2025*

- **Team Leadership:** Led and managed a team of three crew members, ensuring all tasks were performed to the highest standards of safety and quality.
- **Communication:** Served as the central point of contact, facilitating clear communication between the team, management, and contractors.
- **Safety & Compliance:** Conducted daily and weekly safety meetings to maintain a strong safety culture and ensure all work was compliant with regulations.
- **Reporting:** Accurately completed and submitted daily time cards, work orders, and other necessary documentation.
- **Resource Management:** Ordered and managed materials and equipment to ensure the team had what it needed for projects.
- **Pipeline Maintenance:** Performed skilled survey analysis on pipelines, including diagnosing issues, making recommendations, and documenting conditions.
- **Training & Development:** Trained new and existing employees on proper procedures, safety protocols, and technical skills.
- **Problem-Solving:** Proactively addressed challenges in the field to keep projects on track and ensure a smooth workflow.
- **Soldering:** Executed the precise re-termination of a 12-wire cable to a compact 1-inch plug, ensuring durable and secure electrical connections.

---

### Operator | Highlands Ranch, CO

#### *DES PIPELINE Maintenance | May 2020 - September 2024*

- **Pipeline Maintenance:** Jet and surveyed storm and sewer pipelines for water and sanitation districts.
- **Equipment Maintenance:** Maintained equipment, including soldering, and kept hardware and vehicles in good working order.
- **Team Leadership:** Coordinated with other companies and led a team to clean and survey pipes on new construction sites.
- **Technical Skills:** Read and interpret maps daily and operate a Class B tanker with a CDL.

- **Soldering:** Skillfully performed re-termination of a 12-wire cable, ensuring secure and reliable connections.
- 

## Beertender/Server | Lakewood, CO

*Old 121 Brewhouse | June 2019 - May 2020*

- **Customer Service:** Served customers in a friendly manner, managed cash drawers, and made daily deposits.
  - **Operational Management:** Opened and closed the establishment alone most days, taking extra steps to maintain cleanliness.
  - **Industry Knowledge:** Participated in a brewing internship, learning about the product and the brewing process.
- 

## Prepared Foods Team Member | Littleton, CO

*Whole Foods Market | September 2018 - May 2019*

- **Food Preparation:** Prepared ready-to-eat foods, assisted customers, and sliced deli meats and cheeses.
  - **Sanitation:** Maintained a clean work environment throughout the day and at closing.
  - **Efficiency:** Contributed ideas for more efficient use of products.
- 

## General Manager (GM) | Littleton, CO

*Papa John's Pizza | January 2017 - August 2018*

- **Shift Leader:** Opened and closed the store, ensured product quality, and managed customer complaints.
- **General Manager:** Handled proper staffing, created budgets, set weekly, monthly, and quarterly goals, managed product orders, and trained all team members.
